	6	Will be able to prepare a simple written project text using field-specific vocabulary.			
	7	Will develop a positive attitude towards learning and using English in their profession and value it.			
Course Content:	This course is designed at the A2 level to help students develop their basic English language skills. In addition to grammar, reading, listening, and writing included in the A2 level coursebook, the course also focuses on improving students' professional English skills related to their field. Through structured lessons and interactive activities, students will be able to learn fundamental grammar rules, understand simple texts, listen to and comprehend English conversations, and communicate effectively in writing. The course will emphasize expanding vocabulary, enhancing communication skills, and improving the ability to use professional English both orally and in writing.
