Course Assessment and Evaluation

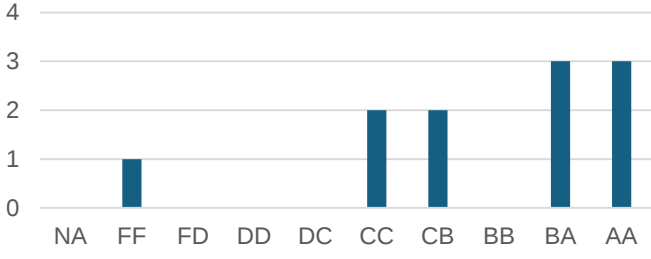

Activities	Number	Percentile	Notes
Midterm Assessment	-	%40	Consists of research paper, presentation, and in-class participation/discussion components.
Research Paper (Interim Assignment)	1	Max 100 points	An academic research and writing assignment on a current issue in private international law (LO1, LO2). Note: Students are encouraged to receive feedback from the course instructor during the process of topic selection, development of the research plan, use of sources, and preparation of drafts. Students who systematically engage in the research process and incorporate feedback into their work may be awarded up to 5 additional points in the research paper evaluation.
Presentation	1	Max 10 points	Oral academic presentation based on the selected topic/research paper (LO2, LO3).
Class Participation and Discussion	Throughout the semester	Max 20 points	Assessment based on active participation in class discussions, case analyses, and academic contributions (LO3).
Final Examination	1	%60	A comprehensive written assessment covering all course topics (all learning outcomes). The final version of the research paper submitted at the end of the semester may be considered as a supporting element in the evaluation of the final examination.
