## Course Content:

8

This course examines the concept of ethics from philosophical, cultural, and legal perspectives, examining how ethical awareness develops in individual and professional behavior. Ethical theories, ethical personality types, and professional ethics codes are discussed comparatively. Furthermore, the understanding of legal ethics in Turkey and the challenges encountered in applying ethical rules are evaluated.

1, 5, 9, 10,

5

## Course Schedule (Weekly Plan)

The student evaluates the importance of ethical behavior in personal

and professional life; develops a sense of responsibility and integrity

and implements ethical decisions.
