READING**A Read the text. Complete the sentences with ideas from the text.****The Business Plan**

If you are going to start your own business, you need a business plan. A business plan has a lot of information about what you want to do and how you are going to do it.

When you write a business plan, it makes you think of all the important things you need to start a business. It helps you understand if you need any other skills or training. Most businesses also need money to start. A business plan can help you plan how much you need.

A lot of people write business plans and then find out that they need to make some changes to their product or services. This is good because it will help you be successful when you start your company.

A business plan is never finished. It can change as you learn more and think about your business differently. So don't worry about finishing your plan, just get started!

- 1 You should have a _____ if you start your own company.
- 2 A business plan helps you understand if you need training to _____.
- 3 A business plan also helps you to plan how much _____ you need.
- 4 Some people change their _____ when they write a business plan.
- 5 A business plan never _____.
