<b>Course Content:</b>	<p>This course has been designed at the A1 level to help students develop their basic English language skills. In addition to grammar, reading, listening, and writing covered in the A1 level coursebook, the program aims to support students in using English for their daily life needs. Through planned lesson content and interactive activities, students will have the opportunity to learn fundamental grammar rules, understand short and simple texts, comprehend daily conversations by listening, and improve their written communication skills. The course will place emphasis on expanding vocabulary, strengthening communication skills, and using English both orally and in writing.</p>
