

ORAL PRESENTATION ANNOUNCEMENT (CANVA PROJECT)

Course: Professional English II

Dear Students,

Within the scope of our course, you are required to prepare and deliver an **oral presentation using Canva**.

Aim of the Presentation

The aim of this task is to:

- improve your **English speaking skills**,
- help you **introduce yourself in a professional context**,
- enable you to use **basic professional vocabulary related to your department**,
- develop your ability to talk about your **skills, knowledge, and future career**,
- improve your **digital presentation skills** using Canva.

This project is designed to support you in **building your professional identity in English**.

Use of Canva

All students must prepare their presentations using **Canva**.

You are expected to:

- use a **clear and simple design**,
 - include **visuals and icons**,
 - prepare slides that are **easy to read and suitable for speaking**.
-

Content of the Slides

Your presentation should include the following sections:

- **Introduction (About Me)**
- **My Skills**
- **What I Learned in My Department**
- **My Experience** (*real or imaginary but realistic*)
- **My Future Job / Career Goals**

(!) You may also include:

- **Computer Skills**

- Languages
 - Strengths
-

Oral Presentation

- Each student will present their work in class.
 - Duration: 2–3 minutes
 - You are expected to speak clearly and confidently.
-

Important Note

You are not expected to have real job experience.
Instead, you should focus on:

- what you **can do**,
 - what you **have learned**,
 - what you **want to do in the future**.
-

Deadline

Presentation Dates: **11–15 May 2026**

Please follow the instructions carefully and be creative.
This is your opportunity to present yourself as a **future professional**.

Good luck!
