

Goal 3. Ensure healthy lives and promote well-being for all at all ages

Target 3.1 By 2030, **reduce the global maternal mortality ratio to less than 70 per 100,000 live births**

Target 3.2 By 2030, **end preventable deaths of newborns and children under 5 years of age**, with all countries aiming to reduce neonatal mortality to at least as low as 12 per 1,000 live births and under-5 mortality to at least as low as 25 per 1,000 live births

Target 3.3 By 2030, **end the epidemics of AIDS, tuberculosis, malaria and neglected tropical diseases and combat hepatitis, water-borne diseases and other communicable diseases**

Target 3.4 By 2030, **reduce by one third premature mortality from non-communicable diseases** through prevention and treatment and promote mental health and wellbeing

Target 3.5 **Strengthen the prevention and treatment of substance abuse**, including narcotic drug abuse and harmful use of alcohol

Target 3.6 By 2020, **halve the number of global deaths and injuries from road traffic accidents**

Target 3.7 By 2030, **ensure universal access to sexual and reproductive health-care services**, including for family planning, information and education, and the integration of reproductive health into national strategies and programmes

Target 3.8 **Achieve universal health coverage**, including financial risk protection, access to quality essential health-care services and access to safe, effective, quality and affordable essential medicines and vaccines for all

Target 3.9 By 2030, **substantially reduce the number of deaths and illnesses from hazardous chemicals** and air, water and soil pollution and contamination

Target 3.a **Strengthen the implementation of the World Health Organization Framework Convention on Tobacco Control in all countries**, as appropriate

Target 3.b **Support the research and development of vaccines and medicines for the communicable and non-communicable diseases** that primarily affect developing countries, provide access to affordable essential medicines and vaccines, in accordance with the Doha Declaration on the TRIPS Agreement and Public Health, which affirms the right of developing countries to use to the full the provisions in the Agreement on Trade-Related Aspects of Intellectual Property Rights regarding flexibilities to protect public health, and, in particular, provide access to medicines for all

Target 3.c **Substantially increase health financing and the recruitment, development, training and retention of the health workforce in developing countries**, especially in least developed countries and small island developing States

Target 3.d **Strengthen the capacity of all countries**, in particular developing countries, for early warning, risk reduction and management of **national and global health risks**

Goal 4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

Target 4.1 By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and effective learning outcomes

Target 4.2 By 2030, ensure that all girls and boys have access to quality early childhood development, care and pre-primary education so that they are ready for primary education

Target 4.3 By 2030, ensure equal access for all women and men to affordable and quality technical, vocational and tertiary education, including university

Target 4.4 By 2030, substantially increase the number of youth and adults who have relevant skills, including technical and vocational skills, for employment, decent jobs and entrepreneurship

Target 4.5 By 2030, eliminate gender disparities in education and ensure equal access to all levels of education and vocational training for the vulnerable, including persons with disabilities, indigenous peoples and children in vulnerable situations

Target 4.6 By 2030, ensure that all youth and a substantial proportion of adults, both men and women, achieve literacy and numeracy

Target 4.7 By 2030, ensure that all learners acquire the knowledge and skills needed to promote sustainable development, including, among others, through education for sustainable development and sustainable lifestyles, human rights, gender equality, promotion of a culture of peace and non-violence, global citizenship and appreciation of cultural diversity and of culture's contribution to sustainable development

Target 4.a Build and upgrade education facilities that are child, disability and gender sensitive and provide safe, non-violent, inclusive and effective learning environments for all

Target 4.b By 2020, substantially expand globally the number of scholarships available to developing countries, in particular least developed countries, small island developing States and African countries, for enrolment in higher education, including vocational training and information and communications technology, technical, engineering and scientific programmes, in developed countries and other developing countries

Target 4.c By 2030, substantially increase the supply of qualified teachers, including through international cooperation for teacher training in developing countries, especially least developed countries and small island developing States
