

1. Introduction to IRE228 was clear: rate it from 1 (definitely not) to 4 (definetly)

1/22 **A** 1

0/22 **B** 2

2/22 **C** 3

19/22 **D** 4

2. I know how to contact with the lecturer

22/22 **A** Yes

0/22 **B** No

**3.** What would you recommend to have\see during the lectures.

22/22

**YE**

being descriptive and informative

**N**

More case studies and class interaction

**HB**

i would like to see case examples for the theoretical parts, i think as an ir student that would help us understand clearly and also would be beneficial for our other lectures.

**Bb**

More practical examples and interactive activities would be helpful.

**A.Y**

I would like the lesson to be explained clearly.

**S**

My only priority is to have open communication with the teacher and to ensure the lesson is conducted effectively.

**EK**

All resources are contained in the IRE-228 file. It will be enough to progress from course participation and resources.

**E.Ö.**

Teaching the course mainly in English

**CD**

We can focus more on political comments

**Buğrahan başaran**

I would recommend having more real-life examples and case studies during the lectures. It would also be helpful to solve sample exam questions together. Short discussions and interactive activities can make the lesson more interesting and easier to understand.

**Ş**

informantion and agrnda are enough

**İA**

More real life examples and interactive discussions during the lectures

**Buse**

To proceed more through examp

**D**

It should be primarily in Turkish to be more effective and educational.

**LMS**

It is important for me to be able to understand the lesson

**H**

learning information
