- b) Transcript of Records (Transcript, a document showing the courses taken in high school and the grades obtained from these courses, approved by the relevant school administration, translated into English or Turkish, approved by a notary public or consulate),
- d) An English language proficiency exam result document, if any, with international validity and obtained within the last two years,
- e) Document showing Turkish language proficiency, if any,
- f) A copy of the passport page showing the identity information (if it is not Turkish or English, a copy of the passport translated into one of these languages and approved by the notary public or consulate), (Original passport will be shown during registration.)
- g) A certified copy of the exam result document of one of the exams listed below, if any;

- 1) When the official exam result document regarding the high school graduation exams (Abitur, International Baccalaureate, GCE, Tawjihi, etc.) approved by the Council of Higher Education or the exams in the status of university entrance exams (SAT, YÖS, etc.) taken within the last two years is approved by Çag University can be taken into consideration when deemed appropriate.
- 2) Apart from the relevant exams stated at the end of the directive, the high school diploma grade or university entrance exam document in the country of origin of the student candidate can also be taken into consideration by Çag University when deemed appropriate.
- 3) There is no limitation on the validity periods of the exams (Abitur, International Baccalaureate, GCE, Tawjihi, etc.) that are in the status of high school graduation exams. However, the results of the university entrance exam (SAT I and ACT) and YÖS are valid for two years.
- 4) The applications of international student candidates who apply to ÖSYS (Student Selection and Placement Exam) and have a result document can be evaluated by Çag University.

How are Applications Evaluated?

- 1) An "Evaluation and Admission Committee " is established by the Rectorate, consisting of representatives of the Institute, Faculty, and Vocational School, in order to make the final evaluation on the admission of students from abroad who apply to faculties and vocational schools affiliated to Çag University.
- 2) The Evaluation and Admission Committee evaluates student applications within the framework of Article 6 and makes a decision.
- 3) Evaluations are made within the framework of the quotas, taking into account the exam scores of the candidates, the overall grade point averages in the transcripts, references, and letters of intent, and the main and substitute candidates whose admission is deemed appropriate are determined. As a result of the evaluation, the other preferences of the candidate who is placed in one of his preferences as a permanent or substitute are not taken into consideration.
- 4) The proposal prepared by the Evaluation and Admission Committee becomes final with the approval of the University Administrative Board.
- 5) Application results are announced on the university's website. Applicants are not notified individually.

How to Register the Accepted Applications?

- 1) The final registration of the students admitted to the university is made by the Department of Students' Affairs of Çag University within the framework of the Regulations for Associate and Undergraduate Education and Examinations of Çag University and the Regulation for Graduate Education and Examination.

- 2) During registration, students must submit the originals of the following documents to the Department of Students' Affairs:
- a) True copy of the high school diploma, and English or Turkish sample from the Republic of Turkey representative offices located in their own countries.
 - b) The document obtained from the Republic of Turkey, Ministry of National Education, or document obtained from the representative office, shows that the high school diploma obtained from foreign countries is equivalent to the diplomas obtained from Turkish high schools.
 - c) The true copies of the Examination Result Document and the T.R. English or Turkish copy approved by the representative office,
 - d) Bank receipt showing that tuition fees have been paid,
 - e) Original and copies of official ID or passport,
 - f) Student visa to be obtained from the representative office of the Republic of Turkey, (Candidates in Turkey get their Student Visa from the Provincial Immigration Administration.)
 - g) 6 passport-size photographs,
 - h) Student Residence Permit, which is mandatory for international students to obtain from the Provincial Directorate of Migration Management after registration.

During the application, placement, and registration process, the registration procedures of students who submit falsified, fake, incomplete, or incorrect documents are canceled even if their final registration has been made.

Registration of the students who do not submit the documents required for registration (diploma, equivalence certificate, Turkish and foreign language proficiency documents, etc.) to the Registrar's Office on the committed date will be canceled through the decision of the relevant Vocational School/Faculty Administrative Board.
